Subject: Re: RFP 04292016 -- ArkansasRazorbacks.com Video Portal & Hosting -- Evaluation Phase

Hi Whitney -

We have finished up our evaluation and scoring process. I have attached an excel document that tallies all of the scoring from our committee members. **uStudio** was the company that came out ahead and we would like to proceed into negotiations with them. I have enclosed all of our evaluation sheets and will be dropping them off at your office today.

Thank you

Taylor
