

Q&A #2
RFP #638704

1. Question:

There was a question about whether the previous contractor applied the 2% increase. How was this known, was the previous engagement contract made available or is it available for public to see?

The contract is available for release from the Procurement Department, upon request under the Arkansas Freedom of Information Act. The specific question was directed towards information, excerpted below, contained in a schedule submitted to the Board of Trustees Audit and Fiscal Responsibility Committee in their public meeting on May 24, 2012.
