Subject: Summary — RFP 624830, Request for Consulting Services for PeopleSoft Campus Solutions 9.2 Upgrade

Whitney,

The evaluation committee has completed the review and evaluation of proposals for Consulting Services for PeopleSoft Campus Solutions 9.2 upgrade under RFP 624830. Proposals were received from the following vendors:

1. Addvantum
2. Ciber
3. ERP
4. Highstreet
5. Sierra-Cedar

After receiving the best and final offer responses, the evaluation committee met on February 1, 2017, with all committee members present. We discussed the various proposals to determine the best fit for the University. Following our discussion, each committee member prepared final scores and included notes on the score sheets.

The committee recommends the award of Request for Consulting Services for PeopleSoft Campus Solutions 9.2 Upgrade (RFP 624830 ) to Highstreet. While Highstreet did not receive the highest score, by a vote of 5-2 the committee selected Highstreet for two reasons:

1. Their proposal most closely matched the requirements and needs of the University, and
2. They were the low bidder.

Evaluation forms and supporting documentation have been forwarded to your office.

The committee wishes to thank each respondent for their interest in doing business with the University of Arkansas, and for their efforts in responding to the RFP.

Thank you for your assistance with this RFP process.

Best regards,

Ron Neyman
