RE: Intent to Award – IFB08172026 - Condenser Water Pumps Package

To All Bidders:

The University of Arkansas Procurement division has reviewed the bids submitted for the abovementioned IFB. The bid due date was 08/31/2026. The University received three certified responses. **Upon bid evaluation**, the recommendation for **award extends to Tencarva Machinenary** as the low bid received.

Respectfully, this letter of “Intent to Award” serves as notification that contract negotiations will commence with Paradigm, Inc and National Student Clearinghouse with the goal of a fully executed Purchase Order/Contract to be issued by the University of Arkansas.

The University of Arkansas is thankful for the attention of each bidder, and for the time and effort expended in responding to the IFB. We encourage and appreciate the participation of our vendor community. Thank you for your interest and participation.

Best Regards,

Heather Jorgensen
