## **General Campus Background for University of Arkansas**

Founded in 1871 as a land-grant institution, the University of Arkansas, Fayetteville Arkansas (UofA), is the flagship campus of the University of Arkansas System. Our students represent all 50 states and more than 120 countries. The UofA comprises 10 colleges and schools offering an internationally competitive education for undergraduate and graduate students in more than 270 academic programs. The UofA contributes new knowledge, economic development, basic and applied research, and creative activity while also providing service to academic and professional disciplines. As of Fall 2023, student enrollment totaled approximately 32,140. The faculty count totaled 1,490 and the staff count totaled 3,350. The UofA is one of the nation's top public research universities and the state's foremost partner and resource for education and economic development. Its public service activities reach every county in Arkansas, throughout the nation, and around the world. The Carnegie Foundation classifies the UofA among only 3 percent (3%) of universities in America that have the highest level of research activity.

Garvan Woodland Gardens is the botanical garden of the University of Arkansas and a center of the Fay Jones School of Architecture + Design. Nestled in the picturesque Ouachita Mountains of Southwest Arkansas, the Gardens are a wonderful gift to all people from local industrialist and philanthropist Verna Cook Garvan.

Garvan Woodland Gardens' mission is to preserve and enhance a unique part of the Ouachita environment; provide people with a place of learning, research, cultural enrichment, and serenity; develop and sustain gardens, landscapes, and structures of exceptional aesthetics, design, and construction; and partner with and serve communities of which the Gardens is a part.

#### 4. INSTRUCTIONS TO BIDDERS/RESPONDENTS

- Respondents must comply with all articles of the Standard Terms and Conditions documents posted on our Hogbid website as counterpart to the IFB document, and any associated appendices, as well as all articles within the IFB document. - All official documents, including responses to this IFB, shall be included as part of any resultant Contract.
- The UA Procurement Official reserves the right to award a contract or reject a bid response for any or all line items of a bid received as a result of this IFB, if it is in the best interest of UA to do so. Bids may be rejected for one or more reasons not limited to the following:

#### 5. AWARD RESPONSIBILITY

The UA Procurement Official will be responsible for award and administration of any resulting contract(s). UA reserves the right to reject any or all bids, or any portion thereof, to re-advertise if deemed necessary, and to investigate any or all bids and request additional information as necessary in order to substantiate the professional, financial and/or technical qualifications of the respondent(s).

Contract(s) will be awarded to the respondent(s) whose proposal(s) adheres to the conditions set forth in the IFB, and in the sole judgment of UA, best meets the overall goals and financial objectives of UA. A resultant contract will not be assignable without prior written consent of both parties.

**6. BID EVALUATION**

Award will be made on a per item an all or none basis, whichever is in the best interest of the University of Arkansas. All bids must meet or exceed minimum specifications and will be evaluated based solely on price and/or discount as specified on the Official Bid Price Sheet. The University of Arkansas reserves the right to withdraw the IFB and to not make a final award if it is in the best interests of the University to do so. Bids not meeting the requirements specified in this IFB or received after the bid opening date and time will be rejected and removed from further consideration.

**7. BEST AND FINAL OFFER**

UA reserves the right to request an official “Best and Final Offer” (BAFO) from bid respondents if it deems such an approach is in the best interest of the institution. In general, the “Best and Final Offer” will consist of an updated cost proposal in addition to an opportunity for the respondent to submit clarification response to specific questions or opportunities identified in subsequent discussions related to the original Proposal response submitted to UA. If the UA chooses to invoke a “Best and Final Offer” option, all responses will be re-evaluated by incorporating the information as requested in the official “Best and Final Offer” document, including costs and answers to specific questions presented in the document. The specific format for the official “Best and Final Offer” request will be determined during evaluation discussions. The official request for a “Best and Final Offer” will be issued by the UA Procurement Department.

**8. CONTRACT TERM AND TERMINATION**

The term (“Term”) of any resulting Contract will begin upon date of Contract award. If mutually agreed upon in writing by the Contractor and UA, the term shall be for an initial period of one (1) year, with option to renew at the end of the initial contract term for six (6) additional one-year terms, for a combined total of seven (7) years (or 84 months). The University of Arkansas may terminate this Agreement without cause, at any time during the Term (including any renewal periods), by giving the other party thirty (30) days advance written notice of termination. Additionally, in the event of non-appropriation of funds necessary to fulfill the terms and conditions of this Agreement during any period of the Term (including any renewal periods), the parties agree that this Agreement shall automatically terminate without notice.

a) If at any time the performance becomes unsatisfactory, UA will give thirty (30) days written notice to the contractor. If at the end of the thirty (30) day period the performance is still deemed unsatisfactory, the contract shall be cancelled by UA, Office of Business Affairs. Additionally, the contract may be terminated, without penalty, by UA without cause by giving thirty (30) days written notice of such termination to contractor.

b) Upon award, the agreement is subject to cancellation, without penalty, either in whole or in part, if funds necessary to fulfill the terms and conditions of this contract during any period of the Term (including any renewal periods) are not appropriated.

c) In no event shall such termination by UA as provided for under this section give rise to any liability on the part of UA, its trustees, officers, employees or agents including, but not limited to, claims related to compensation for anticipated profits, lost business opportunities, unabsorbed overhead, misrepresentation, or borrowing. UA’s sole obligation hereunder is to pay contractor for services ordered and received prior to the date of termination.

The terms, conditions, representations, and warranties contained in the contract shall survive the termination of the Contract.

**9. RESPONDENT’S RESPONSIBILITY TO READ IFB**

It is the respondent's responsibility to thoroughly examine and read the entire IFB document, including any and all appendices. Failure of respondents to fully acquaint themselves with existing conditions or the amount of goods or

work involved will not be a basis for requesting extra compensation after the award of a contract. This engagement is separate from any other engagement bidder may be currently pursuing with the University of Arkansas. Interpretation of the University of Arkansas is final.

Bids not fully compliant with all sections of the IFB may be deemed non-responsive and may not be evaluated. However, UA reserves the right to waive any formality or irregularity in any bid if deemed to be in the best interest of UA. In addition, UA reserves the right to reject any or all bids.

If language in this IFB differs from other language in the UA Standard Terms and Conditions or other standard forms, the language in this IFB shall govern.

**10. INDICIA**

The respondents and the contractor acknowledge and agree that UA owns the rights to its name and its other names, symbols, designs, and colors, including without limitation, the trademarks, service marks, designs, team names, facilities images, uniforms, nicknames, abbreviations, city/state names in the appropriate context, slogans, logo graphics, mascots, seals, color schemes, trade dress, and other symbols associated with or referring to UA that are adopted and used or approved for use by UA (collectively the “Indicia”) and that each of the Indicia is valid. Neither any respondent nor contractor shall have any right to use any of the Indicia, derivative, or any similar mark as, or a part of, a trademark, service mark, trade name, fictitious name, domain name, company or corporate name, a commercial or business activity, or advertising or endorsements anywhere in the world without the express prior written consent of an authorized representative of UA. Any domain name, trademark or service mark registration obtained or applied for that contains the Indicia or any similar mark upon request shall be assigned or transferred to UA or its Board of Trustees without compensation.

**11. PRICING**

Pricing must be listed on the Official Bid Price Sheet in the format provided with this IFB and must include shipping and handling charges. Upon bid award, all pricing and/or discounts must be firm for a period of two (2) years. UA will not be obligated to pay any costs not identified on the Official Price Sheet. If pricing is dependent on any assumptions that are not specifically stated on the Official Price Sheet, please list those assumptions accordingly, on a separate sheet and show detailed pricing. Bidders must certify that any costs not identified by the Bidder, but subsequently incurred in order to achieve successful product/operation/service, etc. will be borne by the Bidder. Failure to do so may result in rejection of the bid.

**12. DISCOUNTS**

Please list percentage (%) discount (from list price) for each category listed on the Official Bid Price sheet where applicable.

**13. INTEREST/LATE FEES**

Pursuant to Ark. Code Ann. § 19-11-224, no interest or late fees shall accrue until amounts are 60 days past due. The interest rate shall be 6% per annum, consistent with Ark. Code Ann. § 4-57-101(d).

**14. PREPAYMENT**

Any provision of the Agreement requiring a deposit or prepayment is deleted. Any such prepayment amount stated in the Agreement shall instead be due upon delivery of a fully and correctly functioning product after University has tested such product.

**15. WARRANTY**

Vendor shall include a statement of available warranty for replacement of dead or unhealthy plants.

**16. SHIPMENT**

All products to be delivered to the University shall be shipped FOB Point of Destination. Risk of loss for product(s) shall pass to the University upon delivery of the product(s) to University.

**17. RETURNS**

The University will not be responsible for any fees, including but not limited to cancellation fees, or the return of any defective or otherwise nonconforming item.

**18. RESERVATION/COMMITMENT**

This IFB does not commit UA to award a contract, to pay costs incurred in the preparation of a bid to this request, or to procure or contract for services or supplies. UA reserves the right to accept or reject (in its entirety), any bid received as a result of this IFB, if it is in the best interest of UA to do so. In responding to this IFB, respondents recognize that UA may make an award to a primary Bidder; however, UA makes no commitment to purchase any minimum or maximum quantity of dollar volume of products from the selected supplier. UA reserves the right to purchase like and similar products/services from other agencies as necessary to meet operation requirements.

**19. FUNDING OUT CLAUSE**

If, in the sole discretion of UA, funds are not allocated to continue any resultant Contract, or any activities related herewith, in any future period, then UA will not be obligated to pay any further charges for services, beyond the end of the then current period. Contractor will be notified of such non-allocation at the earliest possible time. No penalty shall accrue in the event this section is exercised. This section shall not be construed so as to permit UA to terminate any Contract awarded in order to acquire similar service from a third party.

**20. CONTRACT INFORMATION**

Bidders should note the following regarding the State's contracting authority and amend any documents accordingly. Failure to conform to these standards may result in rejection of bid:

A. The State of Arkansas may not contract with another party to perform any of the following:

1. Pay any penalties or charges for late payment or any penalties or charges which in fact are penalties for any reason.
2. Indemnify or defend that party for liability or damages. Under Arkansas law UA may not enter into a covenant or agreement to hold a party harmless or to indemnify a party from prospective damages.
3. Pay all sums that become due under a contract upon default.
4. Pay damages, legal expenses, attorneys' fees or other costs or expenses of any party.
5. Conduct litigation in a place other than the State of Arkansas.
6. Agree to be subject to or bound by governing law, jurisdiction, or venue of any state, country or province other than the State of Arkansas.

B. A party wishing to contract with UA should:

1. Remove any language from its contract which grants to it any remedies other than:
  - The right to possession.
  - The right to accrued payment.
  - The right to expenses of de-installation.
2. Include in its contract that the laws of the State of Arkansas govern the contract and that the State of Arkansas is the exclusive jurisdiction and venue for any and all claims, disputes, actions or suits between the parties or related to the Contract.
3. Include in its Contract that the UA is an instrumentality of the State of Arkansas entitled to sovereign immunity from suit and that all claims, demands, suits, or actions for loss, expense, damage, liability or other relief, either at law or in equity, against UA or its trustees, officers, employees, volunteers, students, agents or designated representatives acting within the official scope of their position, must be brought before the Claims Commission of the State of Arkansas.
4. Include in its Contract all other terms and conditions stated in this IFB.
5. Acknowledge in its contract that contracts become effective when awarded by UA Purchasing Official.

**21. CONTRACT ITEMS/ADDITIONS**

The University of Arkansas, on behalf of Garvan Woodland Gardens, reserves the right to add items to this contract throughout the term of the contract. Changes must be submitted in writing and approved by both parties.

**22. SPECIAL OFFERS/PROMOTIONS**

The University of Arkansas reserves the right to take advantage of special offers, promotions and educational discounts for which the University of Arkansas is eligible, should they become available. Should these promotions be less expensive than the normal percentage discount, the University must be given an opportunity to participate.

**23. AGREEMENT AUTHORITY**

The parties agree that they are and shall remain independent parties, and nothing contained in this agreement shall be deemed or interpreted to create any relationship other than that of independent parties. The parties agree that they shall perform all rights and obligations under this agreement as independent parties. No acts performed or representations made, whether written or oral, by either party shall bind the other party.

**24. GOVERNING LAW**

This IFB, any resulting Contract and all performance thereunder, transactions and subsequent amendments thereto between Respondent(s) or Contractor(s) and UA shall be governed and construed in all aspects in accordance with the laws of the State of Arkansas without regard to its choice of law principles (including without limitation any and all disputes, claims, counterclaims, causes of action, suits, rights, remedies, promises, obligations, demands, and/or defenses related thereto that may be asserted by either party). The parties agree that the State of Arkansas shall be the sole and exclusive venue and jurisdiction for any litigation or proceeding that may arise out of or in connection with this IFB or any Contract with UA. The parties waive any objection to the laying of jurisdiction and venue of any claim, action, suit or proceeding arising out of the Contract or any transaction contemplated hereby, in the State of Arkansas, and hereby further waive and agree not to plead or assert that any claim, action, suit or proceeding has been brought in an inconvenient forum. Nothing contained herein shall be deemed or construed as a waiver of any immunities to suit available to UA or its trustees, officials, employees and representatives. In no event shall UA or any of its current and former trustees, officials, representatives and employees (in their official or individual capacities) be liable to Respondent(s) or Contractor(s) for special, indirect, punitive, or consequential damages, attorneys' fees or costs or any damages constituting lost profits or lost business opportunities.

**25. DISPUTES**

Contractor and UA agree that they will attempt to resolve any disputes in good faith. Contractor and UA agree that the State of Arkansas shall be the sole and exclusive jurisdiction and venue for any litigation or proceeding that may arise out of or in connection with any Contract. The Respondent acknowledges, understands and agrees that any claims, demands, suits, or actions for damages against UA may only be initiated and pursued in the Arkansas Claims Commission, if at all. Contractor shall indemnify and hold harmless UA and all its trustees, officers, employees, volunteers, students, and agents against any claim or liability arising from or based upon the violation of any such law, ordinance, regulation, order or decree by an employee, representative, or subcontractor of the Contractor.

To the extent Contractor shall have access to, store or receive student education records, Contractor agrees to abide by the limitations on use and re-disclosure of such **records** set forth in **the Family Educational Rights and Privacy Act** (FERPA), 20 U.S.C. § 1232g, and 34 CFR Part 99. Contractor agrees to hold student record information in strict confidence and shall not use or disclose such information except as authorized in writing by UA or as required by law. Contractor agrees not to use the information for any purpose other than the purpose for which the disclosure was made. Upon termination, Contractor shall return all student education record information or provide evidence that it was destroyed within thirty (30) days.

When procuring a technology product or when soliciting the development of such a product, the State of Arkansas is required to comply with the provisions of Arkansas Code Annotated § 25-26-201 et seq., as amended by Act 308 of 2013, which expresses the policy of the State to provide individuals who are blind or visually impaired with access to information technology purchased in whole or in part with state funds. Contractor expressly acknowledges and agrees that state funds may not be expended in connection with the purchase of information technology unless that system meets the statutory requirements found in 36 C.F.R. § 1194.21, as it existed on January 1, 2019 (software applications and operating systems) and 36 C.F.R. § 1194.22, as it existed on January 1, 2019 (web-based intranet and internet information and applications), in accordance with the State of Arkansas technology policy standards relating to accessibility by persons with visual impairments.

**ACCORDINGLY, CONTRACTOR SHALL EXPRESSLY REPRESENT AND WARRANT** to the State of Arkansas through the procurement process by submission of a Voluntary Product Accessibility Template ("VPAT") or similar documentation to demonstrate compliance with 36 C.F.R. § 1194.21, as it existed on January 1, 2019 (software applications and operating systems) and 36 C.F.R. § 1194.22, as it existed on January 1, 2019 (web-based intranet and internet information and applications) that the technology provided to the State for purchase is capable, either by virtue of features included within the technology, or because it is readily adaptable by use with other technology, of:

- Providing, to the extent required by Arkansas Code Annotated § 25-26-201 et seq., as amended by Act 308 of 2013, equivalent access for effective use by both visual and non-visual means;
- Presenting information, including prompts used for interactive communications, in formats intended for non-visual use;
- After being made accessible, integrating into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired;
- Providing effective, interactive control and use of the technology, including without limitation the operating system, software applications, and format of the data presented is readily achievable by nonvisual means;
- Being compatible with information technology used by other individuals with whom the blind or visually impaired individuals interact;

- Integrating into networks used to share communications among employees, program participants, and the public; and
- Providing the capability of equivalent access by nonvisual means to telecommunications or other interconnected network services used by persons who are not blind or visually impaired.

If the information technology product or system being offered does not completely meet these standards, the Respondent must provide an explanation within the VPAT detailing the deviation from these standards.

State agencies cannot claim a product as a whole is not reasonably available because no product in the marketplace meets all the standards. If products are reasonably available that meet some but not all of the standards, the agency must procure the product that best meets the standards or provide written documentation supporting selection of a different product, including any required reasonable accommodations.

For purposes of this section, the phrase “equivalent access” means a substantially similar ability to communicate with, or make use of, the technology, either directly, by features incorporated within the technology, or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans with Disabilities Act or similar state and federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands or other means of navigating graphical displays, and customizable display appearance. As provided in Arkansas Code Annotated § 25-26-201 et seq., as amended by Act 308 of 2013, if equivalent access is not reasonably available, then individuals who are blind or visually impaired **shall** be provided a reasonable accommodation as defined in 42 U.S.C. § 12111(9), as it existed on January 1, 2019.

If the information manipulated or presented by the product is inherently visual in nature, so that its meaning cannot be conveyed non-visually, these specifications do not prohibit the purchase or use of an information technology product that does not meet these standards.

## **29. TIME IS OF THE ESSENCE**

Respondent and UA agree that time is of the essence in all respects concerning this IFB and any Contract and performance therein.

## **30. PERMITS/LICENSES AND COMPLIANCE**

Contractor covenants and agrees that it shall, at its sole expense, procure and keep in effect all necessary permits and licenses required for its performance of obligations under this IFB, and shall post or display in a prominent place such permits and/or notices as required by law. Contractor is responsible for compliance with all applicable laws and regulations, including but not limited to, OSHA requirements as well as any Fair Labor Standards Act requirements pertaining to compensation of Contractor's employees or subcontractor (if any) working on the project; further, upon request, Contractor shall provide copies of all such permits or licenses to UA.

## **31. INDEMNIFICATION AND INSURANCE**

The successful Respondent or Contractor shall indemnify, defend, and hold harmless University, its trustees, officers, directors, employees, agents and volunteers from and against any and all losses, costs, expenses, damages, and liabilities resulting from or relating to: (a) any breach by Contractor or Contractor's members, officers, employees, subcontractors, vendors, and agents of any representation, warranty, or other provision of this IFB, any resulting Contract or any document delivered by Contractor in connection with the products and services contemplated by this IFB; (b) any damage to property or bodily injury, including, but not limited to illness, paralyzation, dismemberment and death, arising from or relating to any products or services provided by the Contractor or uses of the UA campus by Contractor, its officers, employees, agents, volunteers, customers, subcontractors or guests under this IFB or any resulting Contract, or any other activities conducted on the UA campus (whether such activity is authorized or unauthorized by UA); (c) any use of or damage to UA property and any defect in any building and improvement thereon, including, but not limited to, any damage to any parking lots arising from or relating to any permitted uses under this IFB or any resulting Contract; (d) any act or omission of Contractor or any of its officers, agents, employees,

invitees, or subcontractor's employees and invitees; and (e) any violation by Contractor of any applicable NCAA or SEC rules or regulations or state, federal or local laws.

The obligation to indemnify UA shall include, but shall not be limited to, the obligation to pay any and all losses, costs, expenses, attorneys' fees, damages, and liabilities incurred, as well as any attorneys' fees and court costs (including, but not limited to, any appellate or appellate-related proceedings). At no cost or expense to UA, UA's in-house counsel may participate in any proceedings. The indemnification obligations under this IFB or any resulting Contract shall survive the expiration or termination of such IFB or resulting Contract.

The successful Respondent or Contractor shall purchase and maintain at Contractor's expense, the following minimum insurance coverage for the period of any Contract. Certificates evidencing the effective dates and amounts of such insurance must be provided to UA:

- Workers Compensation: As required by the State of Arkansas. Additionally, the Contractor shall maintain Employer's Liability Insurance with a policy limit of not less than \$100,000 each accident, \$500,000 disease, and \$100,000 disease each employee.
- Comprehensive General Liability, with no less than \$1,000,000 each occurrence/\$2,000,000 aggregate for bodily injury, products liability, contractual liability, and property damage liability.
- Comprehensive Automobile Liability, with no less than combined coverage for bodily injury and property damage of \$1,000,000 each occurrence.

Policies shall be issued by an insurance company authorized to do business in the State of Arkansas and shall provide that policy may not be canceled except upon thirty (30) days prior written notice to UA. Any policy shall cover any vehicle being used in the management, operation, or delivery deriving from Contractor's operations on UA's campus. Contractor shall also be responsible for payment of workers' compensation insurance for all Contractor's employees as required by the State of Arkansas.

Contractor shall furnish UA with a certificate(s) of insurance effecting coverage required herein. Failure to file certificates or acceptance by UA of certificates which do not indicate the specific required coverages shall in no way relieve the Contractor from any liability under the Contract, nor shall the insurance requirements be construed to conflict with the obligations of Contractor concerning indemnification. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to UA, its trustees, officials, employees, agents or volunteers. Proof of Insurance must be included in bid Proposal.

Contractor shall, at their sole expense, procure and keep in effect all necessary permits and licenses required for its performance under the Contract, and shall post or display in a prominent place such permits and/or notices as are required by law.

### **32. SOVEREIGN IMMUNITY**

Notwithstanding any terms or conditions to the contrary, nothing within the Contractor's proposal shall constitute a waiver of any immunities to suit legally available to the University, its officers, agents and employees, including, but not limited to the Sovereign Immunity of the State of Arkansas.

### **33. REQUIRED IF SUBMITTING ADDITIONAL REDACTED COPY**

Proprietary information submitted in response to this IFB will be processed in accordance with applicable State of Arkansas procurement law. Documents pertaining to the IFB become the property of UA and shall be open to public inspection **after** a notice of intent to award is formally announced.

It is the responsibility of the respondent to identify all proprietary information included in their bid and to submit in the proper receptacle at <https://forms.uark.edu/xfp/form/906>. The respondent shall submit one (1) separate digital copy of the bid from which any proprietary information has been removed, i.e., a redacted copy (marked "REDACTED COPY"). **NOTE: There are SEPARATE repositories – the redacted copy is to be submitted in the repository titled "Upload redacted/proprietary bid documents".** The redacted copy should reflect the same pagination as the original, show the empty space from which information was redacted. Except for the redacted information,
