RE: **No Award** - RFP 230518 – Mobile Inventory Solution for Asset Tracking

To All Respondents:

The University of Arkansas System procurement division has received notice from the evaluation committee chairperson that the above referenced RFP will not be awarded. This letter of “No Award” serves as notification that contract negotiations will not proceed.

The University of Arkansas System is thankful for the attention of each respondent, and for the time and effort expended in responding to the RFP. Please monitor the HogBid website for future bidding opportunities.

Regards,

Terry Fuquay
