1. For clarification, does the minimum requirement of (2) day porters during Monday–Friday, 7-3 PM apply to each individual venue, or is this staffing level intended to be shared across all locations? 2 day porters to be shared in all venues outside of Fred Smith/Walker Center Monday – Friday, 7am – 3pm.
2. Page 16 Attachment C #9. Can we confirm this section only needs to include the staffing structure, roles & responsibilities, org chart, as well as our hiring process? Yes
3. Will the contractor selected through this RFP also be used for additional event cleaning needs? Yes, cleaning and support staff
    a. Is the current contractor providing these services providing all of the event services and general janitorial services? The current contractor is providing some of these services, not all.
4. Are you able to provide the current scope of work? Can provide current as benchmark but would look to service provider to alter to meet cleaning requirements
5. Are you willing to share your current budget related to these services as a public institution? University declines to respond.
6. How many vehicles should contractors plan to have on site for this? Are there any vehicle requirements? You will need some form of vehicle for transporting, supplies and trash between venues and dumpsters.
7. Can you confirm contractor will not be responsible for consumable supplies? Consumable supplies will be provided by the Athletic department.
8. Can you confirm contractor will be responsible for providing cleaning equipment and supplies (vacuums/chemicals/etc)? Chemicals and equipment will be provided. Equipment is to be well taken care of by the contractor. Excessive repairs will not be made to equipment by the Athletic department due to contractor's negligence.
9. Are there any on-site management requirements? There should be a designated liaison and supervisor on site to inspect behind staff and for communication purposes.
10. What floor equipment is currently being used? Chariot iScrub, walk behind auto scrubbers, ride on auto scrubbers, vacuums, extra wide vacuums, carpet extractors, floor side by side scrubbers, burnishers, Kaivacs, mops and brooms.

11. Can you provide exact height requirements for window cleaning/washing?
    a. If higher than 2 stories, would contractors be able to subcontract this? High and exterior window cleaning contracted separately by Athletics through campus contract. Scope would include indoor glass cleaning no higher than a standard door height.
12. Can you provide additional details on the post event bowl cleaning? Post event bowl cleaning is not included in this contract.
