re: UAF Structured Cabling Material IDIQ

Dear Applicants:

The University of Arkansas Structured Cabling Material IDIQ five-member committee met Wednesday, December 2, 2020 to review pricing bids and proposals for UAF Structured Cabling Material IDIQ contracting 2020. Utilizing the scoring criteria in the RFQ, the firm accumulating the most points, recommended by the committee, and approved for award of the Structured Cabling IDIQ was **Commscope- 4 Media Group**.

The selection committee sincerely thanks each of you for the thoughtful approach you took to development of your proposal documents and your interest in working with the University of Arkansas, Fayetteville.

With Regards,

Daniel Clairmont
Director, Engineering and Construction
