

**Request for Proposal (RFP)
RFP #05222023
Payment Card Industry Data Security Standards (PCI DSS) Compliance Services**

ADDENDUM #2

Due to both the primary focus and quantity of questions received and the University's desire to provide potential bidders with the best possible description of the desired Scope of Work, the University has decided to cancel RFP #05222023 at this time. The University intends to reissue another RFP for PCI DSS Compliance Services at a later undetermined date.

When the PCI DSS Compliance Services RFP is reissued, we plan to include all vendors who had expressed interest in RFP #05222023 in our list of suggested vendors who will receive notice of the new RFP. Thank you for your interest in doing business with the University.

Respectfully,

Ellen Ferguson
