Within Section 10.4 of the RFP Document, under **Additional Redacted Copy REQUIRED**, replacement language is listed here in bold:

Proprietary information submitted in response to this RFP will be processed in accordance with applicable State of Arkansas procurement law. Documents pertaining to the RFP become the property of the University of Arkansas and shall be open to public inspection **after a notice of intent to award is formally announced.**

It is the responsibility of the Respondent to identify all proprietary information included in their bid Proposal. The Respondent shall submit one (1) separate electronic copy of the proposal from which any proprietary information has been removed, i.e., a redacted copy (marked "REDACTED COPY"). The redacted copy should reflect the same pagination as the original, show the empty space from which information was redacted, and should be submitted on a CD or flash drive, preferably in a PDF format. Except for the redacted information, the redacted copy must be identical to the original hard copy submitted for the bid Proposal to be considered. The Respondent is responsible for ensuring the redacted copy on CD/flash drive is protected against restoration of redacted data. The redacted copy may be open to public inspection under the Freedom of Information Act ("FOIA") without further notice to the **Respondent after a notice of intent to award is formally announced.** If during a subsequent review process the University determines that specific information redacted by the respondent is subject to disclosure under FOIA, the respondent will be contacted prior to release of the information.
