Subject: Summary — RFP 628967, Request for Data Warehouse Services

Whitney,

The evaluation committee has completed the review and evaluation of proposals for Data Warehouse Services under RFP 628967. Proposals were received from the following vendors:

1. SSB Consulting Group
2. Northbay Solutions
3. Web Me Tech
4. Circle Media
5. Teknion

After receiving the responses, the evaluation committee met on January 31, 2017 and February 1, 2017 with all committee members present. We discussed the various proposals to determine the best fit for the University. Following our discussion, each committee member prepared final scores and included notes on the score sheets.

The committee recommends the award of Request for Data Warehouse Services (RFP 628967) to Web Me Tech. Web Me for the following reasons.

1. Their proposal most closely matched the requirement of the University and received the highest score from all committee members
2. They were the low bidder in terms of price

Evaluation forms and supporting documentation have been forwarded to your office.

The committee wishes to thank each respondent for their interest in doing business with the University of Arkansas, and for their efforts in responding to the RFP.

Thank you for your assistance with this RFP process.

Best regards,
