Re: RFP Cancelation - RFP 644456 Identity and Access Management (IAM) Solution

To All Respondents:

The University of Arkansas System has issued "Intent to Award" letters for both phases of this RFP. Further review has revealed that an independent IAM solution is not in the best interests of the University at this time. Therefore, the University hereby withdraws the "Intent to Award" letters, cancels the IAM RFP, and elects not to pursue an independent IAM solution at this time. The University appreciates the time and effort expended by each respondent to this RFP.
