Question: Can you please clarify who the University is referring to when they require releases from "each customer" in para 9.5 of the RFP (page 8)?

Answer: Section 9.5 is a standard umbrella clause in our RFP's, which in some cases regarding the "customer" language, does not apply to the project at hand. It does not apply this RFP. Here's a snapshot of the first paragraph with stricken language:

9.5 Conditions of Contract

Contractor shall at all times observe and comply with federal and Arkansas State laws, local laws, ordinances, orders, and regulations existing at the time of or enacted subsequent to the execution of the Contract which in any manner affect the completion of work. Contractor shall indemnify and save harmless UA and all its trustees, officers, employees and agents against any claim or liability arising from or based upon the violation of any such law, ordinance, regulation, order or decree by an employee, representative, or subcontractor of the Contractor. ~~Contractor shall also obtain a full and properly executed release, indemnification, and hold harmless agreement of UA, its trustees, officers, employees, agents and volunteers, in a form acceptable to University, from each customer. Contractor shall retain the release from each customer for a minimum period of three (3) years, and furnish copies of any and all releases to UA upon its request.~~
