RFP 689458
 Security Guard Services-Garvan Woodland Gardens
 Term Contract
 Committee Review Form

10/25/2018

The search committee consisted of Rush Fentress, Bridget Morpew and Sandi Rostan.

The committee hosted a mandatory site tour on Friday, October 5, 2018. Two companies were represented on the tour, Steven Willis from G4S Secure Solutions USA and Doug Elms from SafeHaven Security Group.

The committee had the opportunity to let both companies know exactly what we expected from a security service. As we traveled the grounds, items and places were pointed out that are expected to be a part of the rounds that the officers will make, as well as letting the vastness of 210 acres settle in on these gentlemen.

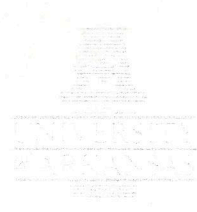

Both gentlemen gave a superb narrative of what their company could do for Garvan Woodland Gardens.

When the bids were opened, SafeHaven proposed the most complete and thorough bid, answering every item in the scope of the security RFP, provided responding references, provided qualifications and the cost came in under that of GS4. Two of three references responded and are attached. The third reference was out of the office until 10/29/2018. These references backed up what Mr. Elms had to say about his company. The committee felt that Mr. Elms was more vested in his company than Mr. Willis was with G4S. The committee felt they could trust Mr. Elms when he said that SafeHaven wanted to "partner" with Garvan Woodland Gardens.

Only one of G4S' references responded. It is attached and is a positive reference.

Following are the scores that the committee members gave the two companies and the mean score:

Committee Member	Company	Score	Company	Score
Fentress, Rush	SafeHaven	100	G4S	98.4
Morpew, Bridget	SafeHaven	100	G4S	85.50
Rostan, Sandi	SafeHaven	100	G4S	81.50
Score		300		265.40
Mean Score		100		88.47

Final mean scores are:

SafeHaven	100.00
G4S	88.47

The committee selects SafeHaven Security Group for RFP 689458.
